

Environmental Policy Statement

Complete Treeworks acknowledges our responsibility to make as little impact on the environment as possible. Through good and thoughtful practice we hope to minimize any risk within our urban and rural environments.

We will achieve this by:

- Complying with environmental codes of practice
- Recycling all arisings- woodchip for use in the garden/ timber for building products and firewood
- Using biodegradable oils in our power tools
- Keeping all vehicles and machinery maintained, clean, and running fuel efficient
- Working within guidelines set out in the Wildlife and Countryside Act 1981
